

KCP International announces the availability of a KCP scholarship to eligible students. These merit-based scholarships are offered to students whose housing, whether homestay or dormitory, is arranged by KCP, and who are enrolling in the KCP program for academic credit. This scholarship can be applied to our regular term (semester), extended programs, or summer short-term programs.

If you attend one of our sponsor or affiliate schools (Western Washington University, University of Idaho, Lincoln University, Idaho State University, The College of New Jersey, Elizabethtown College, New Mexico State University, Cleveland State University, or Norfolk State University), the award is \$500. If you attend a different school and are enrolling through one of our sponsor schools, or if you are a college student not applying for academic credit and applying directly to KCP as a direct-enroll student, the award is \$250.

The scholarship is awarded to three students per term (one semester).

DEADLINE

To be considered, you must submit your scholarship application after you have applied to KCP and been accepted. Submit the scholarship application with the print portion of your registration. The registration material will be available after you have been preliminarily accepted into our program, after a complete application has been submitted.

MEMORANDUM OF UNDERSTANDING

I confirm that the GPAs above are documented in the transcript I am submitting along with my registration and this scholarship application.

If I receive the scholarship, I agree to write a 1000-word essay of reflections on my KCP experience, advice, and tips to share with future KCP students. I also agree to provide thoughtful responses to the online evaluation that all students will be asked to complete at the end of the program. I give KCP permission to use any material from my essay and evaluation to share with potential students, either on our web sites, or in print. I understand that sending this essay and evaluation to KCP will release my grades.
